ART & CRAFT EXHIBITION & ACTIVITIES DAY

Monday 22 August 2011, at

HALL PLACE, BERKS COLLEGE OF AGRICULTURE
BURCHETTS GREEN, BERKS, SL6 6QR.

This Art & Craft exhibition and activities day is a chance for people to browse round wonderful displays, attend up to 3 demonstration & hands on sessions where you can take home what you produce as well as seeing continuous demonstrations for some activities where you can browse, ask questions and possibly have a go. There is a choice of 16 different activities in the most beautiful setting of Hall Place, an old mansion which is currently an agricultural college. The activities are divided into 3 different types

- those who provide 3 sessions of Demonstrations/Hands On
- those who provide 3 sessions of Demonstrations only
- those will be available all day for people to just come up and see what they do, ask questions and possibly have a go themselves

It gives you the opportunity to see if there are other activities you might be interested in, or learn more about something you are already involved with.

The flower arrangers will have a display in the entrance hall which will be raffled off. As the cost of flowers are so high, they will be giving demonstrations without any hands on, but again what they produce will be raffled off.
